Committee Nod Starts Lions Club on Drive to Get Swimming Pool

Report of Investigators Says \$24,500 Indicated as Investment

Acting on a favorable report of the swimming pool committee the Antioch Lions club Monday evening decided to go ahead with the project.

President Norman Jedele said he would enlarge the present committee to 12 members in setting up a committee for action.

The report of Chairman G. W. Jensen showed that 80 per cent of the replies received thus far indicate a favorable opinion as to the value and need for the outdoor pool for Antioch township.

"More than 60 per cent of the replies indicate an investment or probable investment in bonds," said Jensen.

The survey committee reported that the indicated investment in bonds totaled \$24,500.

President Jedele said that no total for the drive can be set at this time, but that the committee would immediately study costs, and decide on the size of the pool, after which a drive will be organized to sell sufficient revenue bonds to construct the pool.

The committee said that valuable assistance was given by the Antioch Township High School commercial classes in typing the file cards and addressing the envelopes. The card index contained 4,200 active permanent, semi-permanent, and summer residents and this took considerable time and effort.

Helpful service was given by Postmaster Roy Kufalk who checked each card for accuracy as to details such as spelling of names and proper addresses, the committee said.

Replies to questionnaires are being received daily. They are available at the Antioch News for anyone who has been overlooked in registering opinion or bond indication.

Antioch V.F.W. Host to Lake Co. Council of 8 Original Posts

Antioch Sequoit Post 4551, Veterans of Foreign Wars, were hosts to the Lake County Council V.F.W., Monday night at a meeting held in the Veterans club.

The council consists of the eight original posts in the county, the newly formed Lake Villa Post 4308, and Barrington who are on the Cook-Lake County line, and have elected to join the Lake County council.

Members from the community present were Edward Langbein and Russell Nickerson, Council delegates from the newly formed Lake Villa VFW post; J. L. Armstrong, County Council adjutant; Robert Strang, Antioch commander; Jack Seib, Antioch quartermaster; and delegates Dr. Zimmerman and Sal Salinas. Guest of honor was John Englander, state vice commander.

The main business of the meeting concerned the purchase of several folding wheel chairs and the setting aside of money for additional hospital equipment. When the council acquires this equipment it will have over \$500 worth of equipment, consisting of wheelchairs, hospital beds, etc., available for the use of anyone in the county. Anyone in this area may use them free of charge by contacting Cmdr. Robert Strang, service officer Zimmerman of Antioch, or Tony Sciacero, commander of Lake Villa.

The question of sponsoring a girl for a three year nursing course in the St. Therese hospital was also discussed.

At the next County Council meeting, in North Chicago, May 5, officers will be elected for the following year.

Saturday Deadline for School Board Filing

Saturday will be the last day for filing of petitions for nomination on the public school ballots for the election April 9.

Candidates so far in the high school election are Elmer Rentner, and Lester Hamlin, incumbents; Harold Wilson, who operates an upholstery shop on Rte. 173 near Channel lake, and William Horton, Jr., owner of Bill's Welding shop on Depot st.

Filing to date for the grade school posts are Bob Lindblad, Bob Taylor, Helen Kopriva, and Homer White for the three-year term and Bruno Manardo for the one year term filling the unexpired term of Mrs. Charles Watson.

Will Break Ground for Masonic Temple at Millburn Saturday

Ground breaking ceremonies for the new Masonic Temple at Millburn will be held at 2 p. m. Saturday at the Millburn Congregational church.

The ground breaking will precede the church service.

The Waukegan Commandery No. 12 in uniform will serve as an escort. Dr. Thomas M. Pender, a 33rd degree Mason, will be the principal speaker. There will also be special music, and refreshments.

Everyone may attend.

Work will be started on the new building next week if weather permits and the building probably will be completed by fall. A cornerstone laying and dedication are planned.

Fr. Hood Instituted as St. Ignatius Rector by Bishop G. F. Burrill

The Rt. Rev. Gerald Francis Burrill, bishop of the Chicago diocese of the Episcopal church, instituted the Rev. Fr. Edmund E. Hood, D. D. as the second rector of St. Ignatius' church of Antioch in an 8 p. m. service last Thursday at the church.

John W. Horan, Jr., senior warden, and E. Elmer Brook, junior warden, accompanied Father Hood in the procession to the altar rail where Bishop Burrill proceeded with the Office of Institution.

Others taking part in the service were Paul Magiera, Richard E. Landau, who served as the Bishop's chaplain, and the parish choir.

During his sermon Bishop Burrill said that the function of the rector is not single, but manifold.

"He must be a preacher, a teacher, opening and making understood the Word of God to the faithful. He must be a minister, faithfully serving that portion of the flock of Christ which is committed to his charge. Above all, however, he must be a priest, feeding his people the living bread in the celebrations of the Holy Eucharist and constantly interceding for them at the altar. He shall also administer the other holy sacraments of the church faithfully.

Following the office of institution and sermon, a reception was held for the Bishop, Mrs. Burrill, Father Hood, and Mrs. Hood in the parish hall. At this time members of the parish had the opportunity to meet, greet, and become acquainted with their new Bishop. The reception was sponsored by the Women's Auxiliary of the parish.

Yukon Eric, Rasputin In Main Event of Ring Matches of Am. Legion

A stellar program has been dished up for the American Legion wrestling exhibition by Fred Kohler, Lake county's famous match maker.

In the main event Yukon Eric and Ivan Rasputin have been pitted against each other.

A tag team match pairs Billy Goetz and Al Szasz against Zack Malkov and Benito Gardini.

The preliminary will be Carl Engstrom against George Drake.

The exhibition will be held at 8:30 p. m. Friday, April 15 at the Antioch Township High School gymnasium.

Antioch Chamber of Commerce Protests Plan to Increase Illinois State Sales Tax One Cent

George E. Borovicka, president of the Antioch Chamber of Commerce has written to Governor William Stratton, Senator Robert J. McClary, Representatives William J. Murphy, A. B. McConnell and Jack Bairstow, saying that the Chamber and the merchants of the Antioch area are against a 1 cent increase in the Illinois State sales tax.

"A rise in the sales tax will be a definite harm to all retail business in this area. It is an unfair burden on retail business in an area bordering a tax free state.

John Breen, athletic director at Lake Forest college, will be the principal speaker Monday evening at the annual athletic banquet of Antioch Township High School sponsored by the Lions club.

Athletes and cheerleaders will be guests of the club and parents may purchase tickets for the event if they wish to attend, President Norman Jedele said.

Because of the outstanding records of all basketball teams this year and the good showing of the football team last year, the spirit at the banquet is expected to be especially high.

Members of the squads will be introduced by the coaches, Warren Polley, Richard Scott, Paul Kessenich, John Grady, and Robert Lambert, and the cheerleaders will be introduced by their adviser, Nary Donovan.

Thirty-three freshmen, 25 sophomores, 31 juniors, and 20 seniors are the athletes invited, and there are 13 cheerleaders.

Recognition will be given to the Pep band directed by Louis Chenette.

William Brook is the Lions club program chairman and Ted Larson will serve as toastmaster. The Rev. Howard Benson will give the invocation.

President Jedele will give the address of welcome and William Blake president of the "A" club, will give the response.

Principal Albert Dittman will introduce the coaches and they in turn will present the students.

Jedele will make the presentation of the Lions trophy to the outstanding athlete of the school.

Athletic Director Breen will then speak.

Special guests will be William A. Rosing and Ed Tiede, township supervisors; James W. McMillen, president of the Antioch village board; Irvin Barnstable, president of the Lake Villa village board; W. C. Petty, county school superintendent; Fred Scott, president of the board of education; Louis Biel, Lester Hamlin, Walter Hills, Elmer Rentner, Roman Vos, William Cain, other members of the board, and Helen Nelson, school treasurer.

Mrs. Eva Gaylord is in charge of the food; Mrs. Veva Buchholz in charge of the dining room; the Future Homemakers of America will serve as waitresses; and the Girls Athletic Association will have charge of decorations.

Prizes for Attendance

To encourage regular attendance at meetings, the Antioch American Legion will start this evening giving prizes to members. The first award will be \$25 and if not claimed the amount will be increased \$5 at each succeeding meeting.

The paid up membership this year is 170, just eight short of last year's 178. A goal of 200 has been set.

Mrs. Robert Berg and Mrs. John Dupre Head Antioch Cancer Drive

Goal Set at \$675—a Slight Increase Over Quota Set in 1954

Mrs. Robert Berg, 1007 Spafford street, will head the American Cancer Society's April Crusade for funds, it was announced by Dr. Marlin T. Leffler, Lake County chairman of the campaign.

Mrs. John Dupre, 664 N. Main st., will be Mrs. Berg's assistant chairman.

Mrs. Berg announced that Antioch's goal had been set at \$675, a small increase over last year's quota. This increase represents the local share of the increase in the national goal from \$20,000,000 to \$24,000,000.

"Our population is growing older, people are living longer, and as a result the incidence of cancer cases in the United States is rising," Mrs. Berg explained. "More and more men and women are entering the age group most susceptible to that disease. Hence, the Cancer Society must intensify its nationwide program of service to patients, sponsoring of research toward finding new methods of cure, and educating the public in ways to detect evidence of cancer early enough to enable effective treatment.

"Lives saved in this country last year through early detection of such cases and prompt medical attention totaled 75,000. But twice as

Sows, Pigs Destroyed in Fire at Cardiff's Rural Main St. Place

When a hog house at the Harold Cardiff property on Main st., at the north edge of the village burned yesterday morning two sows and six pigs were destroyed.

The fire is believed to have started from heat lamps that were used to keep the piglets warm. Other pigs were outside in a pen and were not harmed, firemen said.

The hogs were owned jointly by Cardiff and Murrill Cunningham, village trustee, who operates a garbage trucking system.

The total loss was estimated by Cardiff at \$1,500. He said he had no insurance on the hog house although all other buildings on the premises were insured.

Cardiff is the proprietor of Cardif's restaurant.

Junior-Senior Prom Planned for May 7; Baugess-Terry Reign

To be known as Aqua Nocturne, the junior-senior prom of Antioch Township High school will be held May 7 between the hours 8:30 and 11:30 p. m. in the boys' gymnasium of the school.

Priscilla Baugess has been selected as queen and Bob Terry will reign as king for the event. Rosalie Morris, Donna Ballwanz, Mary Schwicht and Patricia Hamlin will serve as court attendants.

Johnnie Kaye's orchestra from Peru, Ill., will furnish the music.

The prom is the main social event of the second semester and always attracts a large crowd.

Frank J. Larwin, 74, Dies of Heart Attack

Frank J. Larwin, 74, Silver Lake Wis., died suddenly of a heart attack at his home Monday, March 7. He was born March 28, 1880 in Vienna, Austria. He came to the United States in 1898, settling in Chicago, afterward moving to Camp Lake where he operated a summer resort for 28 years, retiring 10 years ago and moving to Silver Lake in 1952. He was a member of Wilmet Masonic Lodge F. & A. M., Logan chapter Royal Arch Masons of Chicago, Wilmet Chapter Order of Eastern Star No. 204. His wife Nellie preceded him in death April 6, 1953.

Survivors are two daughters, Mrs. Josephine Fenger, Roseland, Fla., and Mrs. Caroline Novacek of Chicago; a son Kenneth of Chicago and a sister, Caroline Larwin, in Austria and seven grand-children.

Memorial services were held at 1:30 Saturday at the Strang Funeral home. Interment was in Liberty cemetery.

Pamela Runnfeldt Home

Pamela, the young daughter of Mr. and Mrs. E. T. Runnfeldt was brought home from Victory Memorial hospital Monday after 12 days of care there in combating a virus infection. Her condition is improving. Pamela is the granddaughter of Mrs. Jane Coddington of the Coddington Hardware Co.

Local School Won 5 Firsts and 9 Seconds in Ratings

Saturday's Event Was a Big Success Louis Chenette Reports

After entertaining an estimated 2,000 persons Saturday at the District 1 solo and ensemble contest, Antioch Township High School is turning to preparations for the district band and organizations contest which will be held here Saturday, April 2.

The contest is expected to attract 600 students, Louis Chenette, Antioch music director said.

Participating in the contests will be seven bands, four choruses, and an orchestra. Boys and girls glee clubs will perform as well as mixed choruses.

Saturday was the first time that Antioch High School has been host to the solo and ensemble contest of District 1 of the Illinois State High School Association and it was a success in every way.

The high school, grade school, and Methodist church auditoriums were used along with classrooms for the performances of the students.

Restaurants were crowded at the noon hour and no one went away hungry.

Antioch High School's music department won its share of honors in the contest which attracted students from both small and large schools. Both the clarinet quartet and bass horn entries won superior or first place ratings. Members of the quartet were Lynn Bolton, John Kelly, Celia Hojem, and Shirley Oilschlager, and the bass horn soloist was Paul Mattson.

Other first place winners from Antioch were the saxophone quartet comprising Arlene Cribb, Roy Hartman, Frank Fardon, and Frank Albert French horn solo, Lenore McCord; and baritone solo, Bob Cain.

Nine numbers that won excellent ratings were:

Girls sextet comprising Cynthia and Priscilla Baugess, Mary Schwich, Shirley Cooney, Mary Tully, and Jill Camphausen; clarinet solos by Lynn Bolton and John Kelly; trombone solos by Elmer Oelkers; and Ed Jensen; bass horn solo, Dick Vlk; trumpet trio by David Cain, Jay Cribb and Barbara Doolittle; alto saxophone solo, Roy Hartman; and baritone saxophone solo, Frank Albert.

Dr. Loeppert to Give Lenton Talk Tuesday at Methodist Church

The Tuesday evening lenton series at the Methodist church of Antioch will continue Tuesday, March 22, at 7:30 p. m. when Dr. Theodore Loeppert will speak on "What the Cross Means to Me."

Dr. Loeppert is minister of Grace Methodist church in Rockford. He did his university and seminary work here in this country and then went abroad to Germany for work on his doctorate.

The Rev. Howard Benson, minister of the Antioch Methodist church says of Dr. Loeppert: "He possesses great intellectual gifts and a humble Christian spirit—two necessary attributes for leadership in our day." All who are interested are invited to attend. A period of discussion and fellowship will follow Dr. Loeppert's address.

Drees Discusses Family

The Rev. Richard Drees of First Methodist Church, Evanston, spoke this past Tuesday. He pointed out that the family is the basic unit of society, but he said that there is a real danger of the home becoming only a restaurant and hotel—a place to eat and sleep. He went on to say that the responsibility for the spiritual growth of one's children rests not with the Church as an institution but with the parents in the family relationship. "When does this begin?" someone asked. "As soon as the child is born, by the kind of religious atmosphere that exists among the members of the family."

A Long Wait

We Americans assume that retail stores will have whatever we want whenever we want it—and priced at a figure that reflects the potent force of free competition. Our superb mass distribution system has been a major factor in boosting our living standards.

Things are very different, however, in those countries where private enterprise has been outlawed, along with anything resembling competition as we know it.

In August, 1953, Russia's ex-premier, Malenkov, announced that the government was "now fully in a position to increase the production of consumer goods." This was great news to the Russian people, who had been living at subsistence standards.

Some 18 months later the program was still a flat failure. A United Press correspondent reported "The Russian people are going to have to keep on waiting for those . . . things the Soviet government promised them."

Now, it appears, that waiting period will be prolonged indeed. The new Premier, Bulganin, who followed the ousted Malenkov, has denounced the emphasis on consumer industry in strong terms, and declared that everything must be given to expansion of heavy industry.

Thus it goes, when the states bosses everything. Maybe we should stop taking free enterprise and its abundance—as exemplified by retailing—for granted. Maybe we should think more about the system that makes it possible.

Lost: The Grunt!

"Nothing Is Lost But the Grunt" is the title of an article in the Bulletin for Medical Research. It deals with the dependence of the medical and pharmaceutical professions on the cooperation of meat packers in carefully saving and processing glands and other organs which are used in the manufacture of medicines.

This work has been going on for about 70 years. Back in the 80's the first medical item was salvaged from an animal carcass. It was a hog stomach, which was used as a source of pepsin, then a popular stomachic.

Today the list is a long one. Bone marrow finds a use in treating various blood disorders. Fibrin foam from beef blood controls bleeding during surgery. Sheep gut is the commonest medical suture. Beef and hog extracts are employed in cases of pernicious anemia. Beef and pork pancreas are the sole source of therapeutic insulin. ACTH from hogs is now widely used in the treatment of arthritis and asthma. Actually, according to Medical Research, every animal organ or gland has its medical by-product—many of which are still in the experimental

stage.

Some packers ship the glands and organs to the pharmaceutical houses. Some maintain their own production plants for the manufacture of proven products for the medical market. Some have set up full-scale experimental laboratories. Whatever the case, nothing is lost but the grunt!

Still a Lifeline

In this atomic age, our national defense is based in large part, on the concept of massive retaliation. The fear of that retaliation, it is hoped, will deter potential war-makers. And, if a major war comes, massive retaliation with all the resources at our command will be employed to bring about victory.

This unfortunately, has led many people to believe that all, or practically all, we need for security is a big supply of nuclear weapons and sufficient long-range aircraft to carry them to their targets. But no responsible military man shares that belief.

Major General John M. Franklin, president of the United States Lines Company, who was Assistant Chief of Transportation during World War II, recently wrote: "The H-bomb, the A-bomb, guided missiles, atomic cannon, jet power and a host of other implements of war that have become a reality, have led a good portion of public opinion to believe that our dependence upon the 'staple commodities' of warfare, such as transportation, has been reduced. The hard, cold facts are that improved railroad facilities, super-highways, airport and airplane development, and more modern ships are all needed right now in the interests of national security."

"Ocean transportation becomes increasingly vital as Communist pressure on the free world continues to mount and our treaties with freedom-loving countries expand the 'defense perimeter' within which we are pledged to counteract aggression."

Ships always have been a lifeline between the fighting front and the production line. Nothing has happened to change that historic fact.

The Low Down From Hickory Grove

When a U. S. Senator speaks out that it is time to get Sambo's foot out of the door in a 100 or more activities, it is time for a doffing of the fedora. I doff same. The gentleman sounding-off is Senator McClellan from Arkansas. He has a ring-side seat—he sees what is going on. He says making false teeth, hunting fur-bearing seals, selling insurance, making the demon rum, spectacles, plus another 100 kinds of boring-in on the citizenry of the land, is not shootin' square with such citizenry.

A tax free outfit like the Govt. can run anybody out of business. Even with the more or less misunderstood kilowatt, you go to work and let the Govt.—with no taxes to pay—make all the electricity of the land, somebody and everybody—dairyman to dentist to housewife—is going to be nicked for the tax loss. That is as sure as there are, here and there, little apples on any apple tree.

Making kilowatts is no more a fit job for Sambo than is barbering, house painting, or raising chickens. If this Senator McClellan of Arkansas can get his idea percolatin' through 25 of his brother senatorial noggins, he will have earned his salt and then some—including 3 cheers.

Yours with the low down,
JO SERRA

WILMOT

Tragedy struck twice Friday at the home of Frank Mack, Oak Knoll. Mr. Frank Mack, 55, passed away Friday morning at 11 o'clock.

In the afternoon his barn burned to the ground. Twin Lakes, Spring Grove, Ill., and Wilmot fire departments were called to the farm. The roofs of two buildings were burned also. There were 50 tons of hay, 400 bushels of oats and a combine destroyed.

Mr. Mack was born Dec. 17, 1899. He spent his early life there where he was employed in the building construction trade, and on Sept. 15, 1923, was married to Ingeborg Larson.

He has resided at the farm the past three years. In addition to his widow he is survived by a son Frank, at home, and a daughter, Mrs. Audrey Ohnwall, Trevor, and two sisters, Mrs. Louise Crismer and Mrs. Francis Solomon, of Chicago.

Mr. and Mrs. Floyd Gyger, Jr., and family spent Sunday afternoon with Mr. and Mrs. Harry Purdin, Huntley, Ill.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total national sales.

\$2299⁸⁸ * makes it yours
---delivered and ready to roll

WE keep coming across a good many people who still are surprised when they see the low delivered price of the Buick shown here.

They're surprised because they know that this price is just about what a lot of the smaller cars are asking—if not more.

But that's just the point.

What's making the 1955 Buick the hottest one in all Buick sales history is the simple fact that its low delivered price buys so much more automobile.

Much more automobile when it comes to the lift and life of great V8 power—Buick power in record might.

Much more automobile when it comes to style and size and room and ride

steadiness—and the integrity of construction that comes of Buick building.

Much more, too, when it comes to matching your motoring needs to the simple practicality of your budget—because Buick offers you a stunning choice in just about every price class...

Like the rock-bottom-priced SPECIAL—the high-powered CENTURY—the extra-spacious SUPER—the magnificent and custom-built ROADMASTER. Each is a Buick through and through—and each is a big reason why Buick sales are soaring as never before.

Why not drop in on us this week and see how much your new-car dollars can really buy—in thrills and fun and comfort and deep satisfaction—when you buy Buick.

DID YOU KNOW—

- ★ that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- ★ that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- ★ that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

*Local delivered price of the 2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as Heater & Defroster... \$11.70; Radio & Antenna... \$92.50.

"JIM BO" IT SWIMS

INTRODUCING
JIM BO—the most sensational invention in the history of fishing—the artificial minnow that swims. No more live bait to buy. This is the lure sensation of the 20th century.

IT SWIMS—no springs, uses no fuel; it swims as long as you leave it in the water. Swims by unique process of balance and gravity. Fish any desired depth—in lake, stream, gulf, bay. Any fish that will strike a minnow will strike JIM BO. This is no gadget. Looks and swims like a live minnow.

This is the lure of all lures—beautiful silver leaf plastic. Buy one for your friends also. Satisfaction guaranteed. Send \$1.00 only, for each lure. Send check or cash. We pay postage. Sold by mail only. J. & R. TACKLE CO., P.O. Box 741, Largo, Fla.

WILL ATTEND STATE
AUXILIARY MEETING

Mrs. Dorothy Horan, president of the Antioch American Legion Auxiliary, accompanied by Mrs. Lucy Himmens, Americanism and National Security chairman; Mrs. Vera Horton, civil defense chairman, and Mrs. Del Jahneke, tenth district civil defense chairman, will attend the 26th annual state patriotic conference of that organization in Chicago, Thursday, March 24. The conference will convene at 9:30 a. m. in the Morrison hotel with Mrs. Omar J. Mackin of Salem, Illinois state president, presiding.

AUXILIARY TO ENTERTAIN
LEGION AT BIRTHDAY DINNER

In celebration of the American Legion's thirty-sixth anniversary, the Antioch Post will be entertained at a pot-luck dinner at 6:45 p. m. Friday, March 25 at the Legion home. Mrs. Dorothy Horan, president will welcome the distinguished guests, Cmdr. Dan Lightsey, his

corps of officers, and post members. Mrs. Agnes Hills is chairman of arrangements for the party and Mrs. Del Jahneke is in charge of a white elephant sale which is expected to create some fun for the evening. Each Auxiliary member will bring a wrapped "white elephant" article for the sale.

K. C.'s to Attend Mass

The Knights of Columbus will attend their first communion in a body at St. Peter's Catholic church at 8 a. m. Sunday. They will then have breakfast together at the Pantry. Six new members were added to the local unit in a third degree initiation service last Sunday at Woodstock.

Honor Students Chosen

Recently elected to the National Honor society at Antioch Township High school were Marcia Hogan, Marilyn Furlan, Nancy Swenson, Fred Clarke, Howard Ballwanz, Lois Flatum and Carol Cervenka, seniors; and Bob Cain, Carole Hansen, Sheryl Mair, Rosalie Morris, Joanne Haydon, and Jerry Meyer, Juniors. Members from last year are Nancy

Rentner, Mitzi Wolff, Garnet Seyfarth, Jim McMillen and David Cain. Members are chosen by the faculty on the basis of scholastic achievement and character.

Antioch High to Host N. W. Confer. Dance on Friday, March 25

The Conference Dance for the Northwest Association of Student Councils will be held in the Antioch High School gym on Friday, March 25.

Those eligible to attend are council members from the eight schools in the conference area. Other students may attend if the quota of tickets allotted to each school is not entirely used by the council members. Each school is allotted a number equivalent to ten per cent of the total enrollment. There is a small admission fee for each student attending.

Plans are now under way in the Antioch Student Council to provide a fine evening of entertainment for the young people in his area. Music for dancing will be provided by Frank Laurie and his band from Round Lake. A talent show of 30 minutes will be provided with a special act from each school. Refreshments will be available throughout the evening.

The Antioch Student Council is decorating its gym, providing the refreshments, advertising, cloak room, material equipment for the talent shows, etc. The ticket sales are taken care of by Palatine's Student Council since their school held the dance the past year.

It is felt by the schools in the area—Antioch, Grayslake, Palatine, Grant, Elmhurst, Wauconda, Bensenville, and Glenbrook—that this dance provides one of the very fine opportunities of the year to bring together in a social way the leaders of the various student bodies. By becoming better acquainted with each other as students, it is easier to work in closer cooperation.

The work for this dance is assigned to committees on the Student Council under the direction of the council president Ed Ring, and their sponsor, Mrs. Jeanette Tulumello. There are 26 members, all of whom are working on at least one committee.

To Be Married

Charlotte Jean Beelov

Mr. and Mrs. Vernon Runyard of Antioch have announced that their daughter, Charlotte Jean Beelov will marry Ronald Wayne Nickerson, Lake Villa, March 25.

Mrs. Hays to Address P.T.A. on Painting at Meeting Mon. Night

Mrs. Elsie Hays of N. Main st. will speak on the subject "My Hobby—China Painting," before the Antioch Grade School Parent Teacher Association at 8 p. m. Monday. She will exhibit some of her painting and will paint a piece of china in the presence of the organization.

The second grade mothers will be hostesses with Mrs. Richard Eckert serving as chairman.

Mrs. B. J. Thompson, president, will appoint a nominating committee at this meeting.

ALLNER-WAGNER NUPRIALS SATURDAY

Miss Jayne Allner became the bride of George Wagner, proprietor of the Antioch Milling Co. in a ceremony at the home of Dr. Preston Bradley at 2608 Lake View ave. in Chicago at 7 p. m. Saturday. A reception was held following the ceremony at the Swedish Glee club in Waukegan.

Ames, Iowa—Ronald Flattum, son of Mr. and Mrs. Carl Flattum, Rt. 1, Antioch, has been promoted to cadet rank of T/Sgt. in the Iowa State College Air Force ROTC unit. He will hold this rank for the remainder of the school year.

Air Force ROTC cadets serve in cadet rank to learn more thoroughly the operations of the Air Force and the duties and responsibilities of commissioned and non-commissioned officers.

Mrs. Wanda Oftedahl, president of Antioch Business and Professional Women's club, and Mesdames Lillian Hand, Margaret Gaston and Gertrude Dunning attended the Spring luncheon and meeting of the Business and Professional Women's clubs of the Chicago district, held at the Morrison hotel, Sunday.

Celebrate Golden Wedding Anniversary

Mr. and Mrs. Frank Dibble of Main St. celebrated their golden wedding anniversary last Sunday with open house. Former residents of Beach Grove road, the Dibles moved into Antioch recently.

Women's Missionary Society of Lakeland Baptist Church Will Meet Friday Evening

The monthly meeting of the entire Women's Missionary Society of the Lakeland Baptist church will be held at 8 p. m. Friday, March 18, at the Girls Hall of the Central Baptist Children's Home. Dorcas Circle will be the hostess.

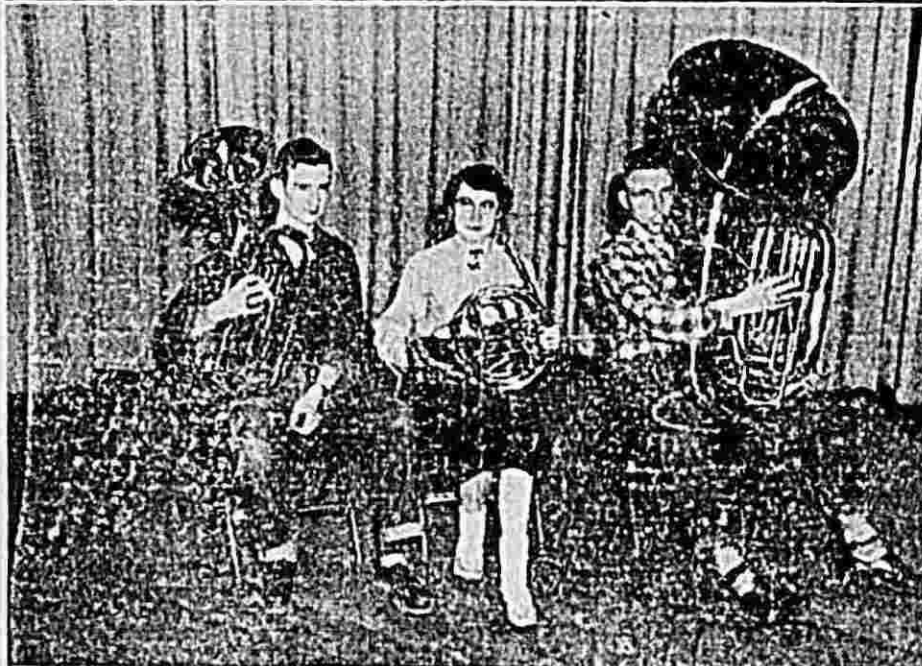

Those without transportation please contact Mrs. Larson. Arrangements can be made to accommodate the members and any visitors who care to attend.

Parents of Son

Pvt. and Mrs. Donald Harmon are the parents of a son "Donald Francis," born March 13 at Victory Memorial hospital, Waukegan. Mrs. Harmon is the former Linda Lux, daughter of Mr. and Mrs. Frank Lux of Antioch. Pvt. Harmon is stationed in Germany. Mrs. Harmon and babe are making their home with their aunt and uncle Mr. and Mrs. E. T. Harmon.

If you paddle your own canoe, there's no one to rock the boat.

A.T.H.S. District Music Contest Winners

Antioch High School's music department claimed its share of top honors in last Saturday's district high school solo and ensemble contest held here. Soloist winners are, left to right, Bob Cain, baritone; Lenore McCord, horn; Paul Mattson, bass horn.

A saxophone quartet that won comprised Frank Albert, Frank Ferdon, Roy Hartman, and Arlene Cribb.

The clarinet quartet that rated superior comprised Cella Hojem, Shirley Oilschlager, Lynn Bolton, and John Kelly.

Mooseheart Baby Village Day to Be Celebrated in Antioch Next Sunday

The Women of the Moose, in this district, are celebrating Mooseheart Baby Village Day at Antioch in the high school gym on Sunday, March 20, at 1:30. The Antioch Chapter, No. 735, has been selected as hostess chapter and is extending a cordial invitation to the public. North Chicago, Harvard, Waukegan, Woodstock and Zion chapters are participating in the ritual ceremony and Antioch's Senior Regent, Mrs. Frank Kennedy, Jr., is presiding as general chairman. Junior Graduate Regent, Mrs. William Horton, Jr., Antioch chapter, will give the address of welcome followed with a response by Mrs. Ann Liddle of Zion chapter. Junior Governor Mr. Ben Noble of the Antioch Lodge, will speak on the Mooseheart Baby Village. A class of candidates will be initiated, under the direction of the Zion chapter, in honor of the Mooseheart babies.

The object of this celebration is to give the Baby Village a new look by supplying the funds to redecorate and furnish the tiny tots' town. Refreshments will be served before and after the ceremony.

Cancer Drive...

(Continued from page 1) many could have been saved if treatment could have begun in time.

All through April, the volunteers serving the Cancer Society not only will gather funds but will carry on a systematic campaign of education through widespread distribution of literature on the subject, information given orally at the American Cancer Society local unit's headquarters, 9 S. County Street, Waukegan, and by free showing of colorful and illuminating motion pictures.

"By giving generously to the Cancer Crusade in April," Mrs. Berg added, "the citizens of Antioch can play a commendable part in the unceasing battle to conquer cancer."

Larsen Will Address Grass Lake's P.T.A.

Charles Larsen of the Lake County sheriff's office will be guest speaker at the regular meeting of the Grass Lake Parent-Teacher Association at 8 p. m. Monday, March 21, at the school.

Larsen will exhibit a lie detector from the sheriff's office and explain its use.

Grade school mothers will be hostesses. Mrs. Vida Shunneson will be the room mother in charge.

St. Patrick's Party To Aid Convent Fund At St. Peter's, March 20

St. Peter's Parish of Antioch will hold its annual St. Patrick's party at 8 p. m. Sunday in St. Peter's School hall. There will be table prizes and free refreshments. An evening of enjoyable entertainment is assured for young and old alike. All are welcome!

The proceeds of the party will assist in the erection of a new convent for the Sisters of the Blessed Virgin Mary, whose present living quarters are very inadequate. They now occupy the top floor of the school, which was originally designed for class rooms. Since the present enrollment is beyond the capacity of the now existing teaching staff and the rooms now occupied by the sisters will have to be converted into classrooms, the new convent will provide a home for the nuns.

The chairmen of this event are Frank Walsh and Bruce Dalgaard assisted by Les Hamlin, president, and all the officers of St. Peter's Holy Name Society.

Mrs. David Switzer and little daughter Laurie of McHenry spent Tuesday in Antioch with relatives.

750 See Patriotic Historical Exhibit At Antioch School

Assembly at the Antioch Township High school yesterday forenoon was of a patriotic nature. It was occasioned by the opening of a historical exhibit brought to the school by the Antioch American Legion.

Principal A. L. Dittman introduced Cmdr. Dan Lightsey of the Antioch post who arranged for the exhibit, and Mr. Wood who had charge of it, and explained its significance.

An estimated 750 students saw the exhibit during the day. They included the high school students, the 6th, 7th, and 8th grades of St. Peter's school and the 7th and 8th grades of the Antioch public school. Many adults saw it.

The exhibit comprised newspapers that recorded historical events and many original documents.

RAINBOW GIRLS HOLD MEETING MONDAY

Antioch Assembly Order of Rainbow for Girls held a regular meeting at the Masonic Hall Monday evening. Two new members were initiated into the order and two others were balloted on and will be initiated at the April meeting. Refreshments were served following the meeting.

The Council of Catholic Nurses, organized in Lake county three weeks ago as a part of the Archdiocese of Chicago, will hold its second meeting at 2 p. m. Sunday, April 3 at St. Therese hospital in Waukegan.

Mrs. Charles Cermak, Jr., who represents the district of Antioch, Lake Villa and Grant townships, is anxious to enroll all Catholic nurses in these townships whether they are working or not.

DEFINITE ENCOURAGEMENT for a little girl's curves

WARNER'S⁺ padded MERRY WIDOW⁺

And it's not just the little girls who call for a bit more support and encouragement in a bra! "A" and "B" sizes alike adore the lasting lift and flattering contours of Warner's padded Merry Widow. The four-sectioned, circular-stitched cups are lined with soft, perforated foam rubber to fill out the smaller figure or just to give firmer support and a rounded, natural bustline. It's marvelously comfortable, too—the soft elastic band stretches easily with every breath. No. 10-84 In white \$5.95 In black \$6.50

Legion Auxiliary Tells Essay Winners and Girls State Delegate

Winners in the American Legion Auxiliary Essay contest have been announced by Mrs. Lucy Himens, Americanism chairman for Antioch unit 748.

Forty entries were submitted from Antioch Township High school.

Ninth grade winners were Judith Pyle, first; David Mitchell, second; Sara Ellison, third; and Rosemary Belanger, honorable mention.

Class II students from the 10th, 11th and 12th grades were: Arlene Cribb, first; Bill Utley, second; Donna Etten, third; and honorable mention, Joan Alvers, Joanne Haydon, and Nancy Flood.

Judges for the contest were Mrs. C. A. Wolfenbarger, Mrs. Hester Garland, Stuart Good.

The winning essays have been sent to the district for judging as to the district winner.

The Auxiliary will sponsor Miss Rosalie Morris, a student at Antioch Township High school at Illinois Girls State this year, Mrs. Eva Gaylord, chairman, announced.

Illini Girls State is explained by Mrs. Dorothy Horan, president of the Antioch unit as a mythical state located on the MacMurray College campus in Jacksonville, Ill., and patterned after the state government of Illinois. The fifteenth annual session will be held June 21 to 29. Attending will be 432 girls in their junior year of high school. They must be physically fit and have high scholastic rating, also possessing qualities of leadership, good character, honesty and cooperation with their classmates.

Each unit sending a girl pays \$40 in addition to railroad fare.

Two Antioch Players On N. W. Conference Basketball 1st Team

In all of the mythical all-conference basketball teams chosen for the Northwest conference Ben Floyd and Mike Haviland of Antioch appear on the first team.

In some they are placed as forward and others at guard positions. The conference itself chose George Severance of Elia and Floyd, and Gene Jaskot, the latter of Wauconda at forward; Dave Schultz, Palatine, center; Mike Haviland, Antioch, and Bob Boyd, Glenbrook, guards.

Fred Clarke, Antioch, was placed at center on the second team with Bob Bein, Grant, and Dave Nessel, Palatine, forwards; Ken Sirotzke, Bensenville, and Alan Eck, Palatine, guards.

Warren Brownlee was one of those given honorable mention.

Attention of high school basketball fans turns to Urbana this week where the "Sweet Sixteen" will fight it out for state honors. Among them is Elgin, winner over the St. Edwards team that beat Antioch.

Anne Eberle Capped During West Suburban Hospital Ceremonies

Miss Anne Lopise Eberle, daughter of Mr. and Mrs. Norman Eberle of R. F. D. 1, Lake Villa, was a member of the class of 84 student nurses who received their caps in the West Suburban hospital capping ceremony held in the First Congregational church of Oak Park, on March 8.

The candlelight ceremony was impressive as the student nurses carried their lighted Florence Nightingale lights. Miss Hettie Belle Travis, director of nursing, presented the young women their caps assisted by Miss Hazel V. Orr, R. N., and hospital Big Sisters.

Preceding the ceremony, the hospital Women's Auxiliary Guild held a tea in the lounge of the Nursing home for parents and friends of the young students.

West Suburban hospital is operated in cooperation with Wheaton college, located 25 miles west of Chicago in suburban Wheaton, with the academic part of the nursing program under the supervision of the Wheaton faculty, while the professional and internal relations are under the hospital board.

An R. N. degree is awarded following completion of three years hospital training with a bachelor of science in nursing degree for an additional 60 semester hours at Wheaton college, a liberal arts and science college of high accreditation.

Women Volunteer for Red Cross Drive, but Even More Are Needed

In response to last week's appeal for workers in the American Red Cross campaign, several women volunteered their services.

Among them were Mrs. Francis Burke, captain; Mrs. Charles Kempf, Petite Lake and Grass Lake rd.; Mrs. Roy Frasier, Chain O Lakes subdivision; Miss Faye Latham, Smith subdivision; and Mrs. Lester Hribar, Indian Point.

Still more workers are needed for the Lake Marie and Channel lake areas, George E. Borovicka, township chairman, says.

He said that workers in other areas are turning in favorable reports and from indications there is hope that the quota may be reached.

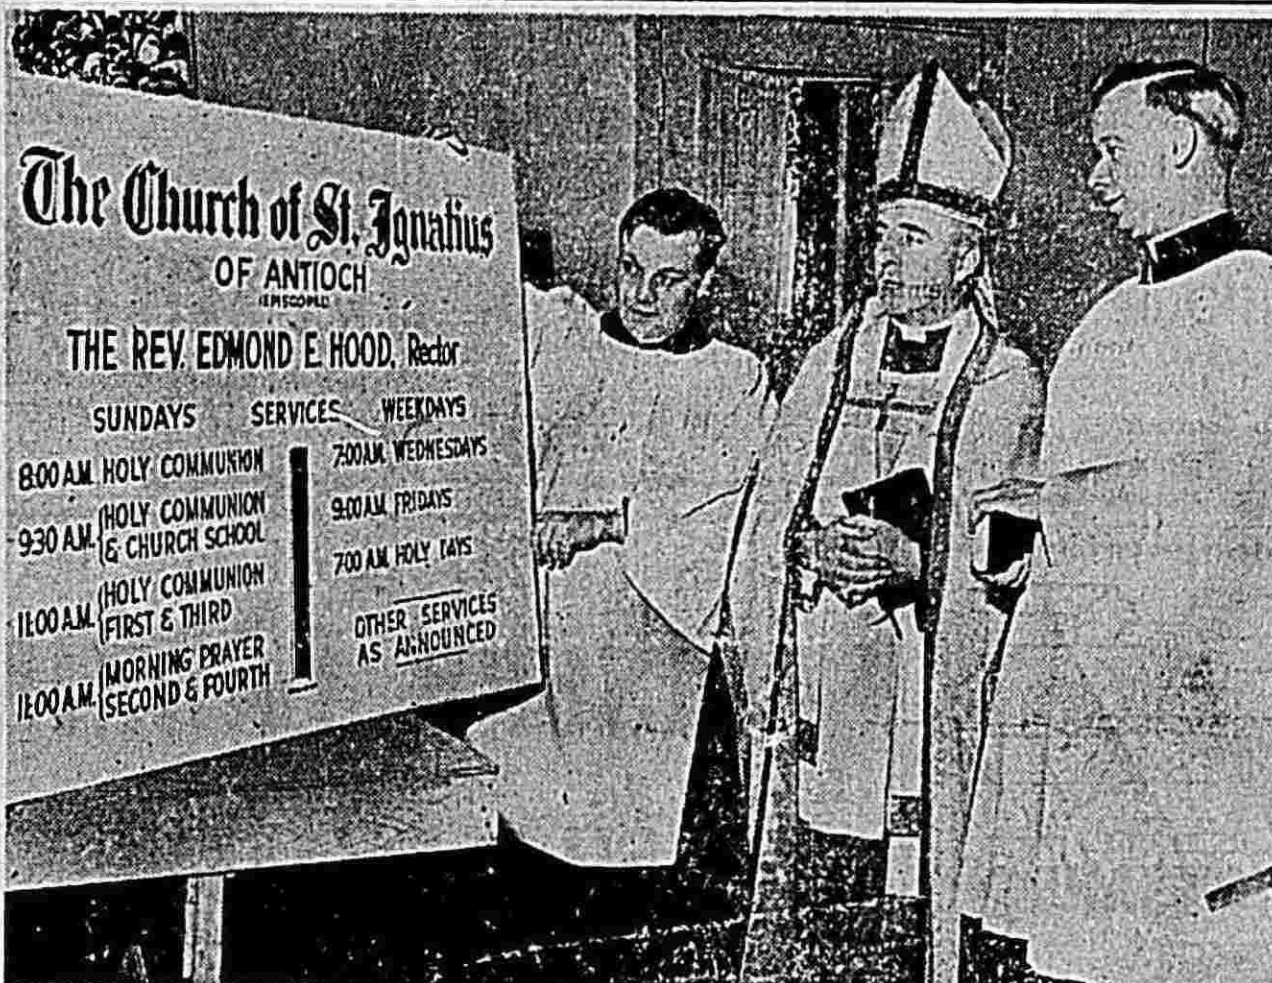

Champions of Northwest High School Conference

Entering into the history of Antioch Township High school as one of the great basketball squads is this year's Sequoit group which marked up the third successive Northwest Conference championship. Coach Dick Scott's band racked up 22 victories and only 3 defeats in their entire season, and only one defeat in conference play. The squad comprised: first row, (l to r.) Jack Palmer, Ben Floyd, Fred Clarke, Warren Brownlee, and Mike Haviland; second row: Frank Walsh, Dave Cain, Chuck Davis, and Don Cardiff; third row: Ed Ring, Jerry Meyer, Jim Fish, Verne Burdick, and Jerry Huml. Al Reckers was absent when the picture was taken because of surgery.

Fr. Edmond E. Hood Instituted as New Rector

The name of the Rev. Edmond E. Hood now appears on the St. Ignatius Episcopal church bulletin board as rector, as the result of a service last Thursday evening in which he was instituted in that office by the Rt. Rev. C. Francis Burrill, bishop of the Chicago diocese at the Antioch church. Viewing the new announcement are, left to right, Richard Landau, lay leader; Bishop Burrill, and Fr. Hood.

Dittman Will Present Sportsmanship Trophy To Grant High School

For the second time that the traveling sportsmanship trophy has been offered to the schools of the Northwest Suburban Conference, Grant High school has been named the winner by the seven other high schools in the conference.

Principal A. L. Dittman, Antioch, president of the conference, will present the trophy and a banner to the school at Grant's annual music concert on May 13.

The trophy is awarded to the school whose students, cheer leaders and fans show the best sportsmanship. Ratings ranged from excellent to poor.

"This award gives me greater pleasure than had we won the conference sports title," said Principal Wade L. Eberly of the Grant High school.

Europeans Discover True Freedom In New World

TUREN, Venezuela — In what was impenetrable jungle less than ten years ago, some 500 Europeans are discovering what freedom means in the New World.

Jaguars roam the nearby forests, but the Europeans live in modern concrete homes with bath and running water. Their children go to an up-to-date school and hospital and dental services are free.

In Europe, few if any had farms of their own. Many were refugees from German and Russian prison camps. Practically all arrived in Venezuela with little more than the clothes on their backs.

But today they are on the road to prosperity. About one-fourth of them have already paid back loans from the Venezuelan government and are putting money in the bank.

They raise two crops a year on the virgin soil. Beans, corn, rice, sesame (for oil) and other crops find an immediate sale at good prices.

The Venezuelan government staked the families to homes, machinery, seed—even food—in a move to increase agricultural production. The government cleared the land and built a modern town. Farms average around 112 acres each.

Living together with the Europeans in Turen are 300-odd Venezuelan families who previously had no farms of their own. The government's policy is to create a nation of farm-owners and Venezuela has founded more than 20 colonies similar to Turen in other parts of the country.

Parents Can Add To Delinquency

ST. LOUIS—Parents who fear atomic warfare contribute to juvenile delinquency, Dr. Daniel L. Seckinger told the Southern Medical Association.

Dr. Seckinger, public-health director for the District of Columbia, admitted there are other contributing factors such as maladjusted homes, substandard health, welfare, and recreational conditions, but said "The atomic blasts, aggression overseas, the threat of war, the (military) draft, the facility of mobility, and other factors have tended to accentuate our national problem No. 1."

"This threat is reflected in the anxieties and uncertainties of parents who in turn impart them to their children."

He added that we have become the "first generation in history which, we can realistically say, is living under the threat of total annihilation . . . and in this period of uncertainty and aggression it is exceedingly difficult to influence our junior citizens to exert control over their aggressive behavior."

Girl Wears Nightgown To Marriage Ceremony

FORT WAYNE, Ind.—A hoosier girl got married in her nightgown and the bridegroom gallantly said she looked "just as pretty" as if she had worn the wedding dress she had planned.

Margaret Ellen Cox, 20, had to remain seated in a wheel chair while she exchanged her marriage vows with Archer Gifford Page, 28.

The couple had long planned their marriage date and Miss Cox insisted the wedding go on even after she had to undergo an emergency operation at Parkview Memorial Hospital.

"I decided as soon as I came out of surgery to go ahead with the wedding," she explained. "Maybe I'm superstitious, but I just hated to put it off."

"But," she added, "I was sorry I couldn't wear my wedding gown." Instead, the bride wore a negligee "vertical stripes of solid white with white in between."

Soviets Shoot Down FEC Freedom Balloons

VIENNA — Police sources here say freedom balloons carrying anti-Communist leaflets have been fired on by Soviet occupation troops in Austria.

The balloon campaign was started by the privately financed Free Europe Committee of the Crusade for Freedom to encourage resistance in Communist-led countries.

Soviet anti-aircraft batteries have been shooting the balloons down along the Austro-Czech frontier and in Burgenland province bordering on Hungary.

Swimming Shoplifter
HALIFAX, N. S. — Police searched here for a shoplifter who can swim as well as he can run.

The thief was spotted as he helped himself from the shelves of a department store. He got away from store officials, outran police and dived from a ferry pier into the harbor.

Police, who first thought he had drowned, learned later he had swam around for a while, thumbing a ride on a passing fishing boat, and escaped to the opposite side of the harbor.

SHELL FURNACE OIL WITH MAGIC FOA-5X CLEANS AS IT HEATS

Now IS THE TIME to arrange for next season's heating oil supply. Take a look at all the benefits you enjoy by ordering Shell Furnace Oil containing the anti-clogging ingredient, FOA-5X. This wonderful fuel oil overcomes the greatest cause of burner shutdown due to fuel—yet costs no more than ordinary fuels!

FOA-5X keeps filter screens clean—Shell scientists worked 15 years developing FOA-5X—and testing it in thousands of homes with burner units of all types. In every test the result was the same: with only normal summer maintenance not a single case of burner failure due to a clogged filter screen was reported! And during 1952, Shell Furnace Oil with FOA-5X was approved by thousands of new users.

Next season be sure you let Shell Furnace Oil with FOA-5X keep you warm. CALL (Telephone No.)—and just tell us to put you on our new customer list.

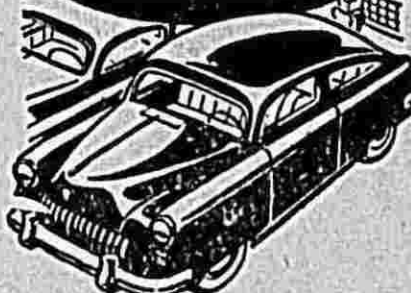

IT COSTS NO MORE—
YET IT DOES SO MUCH MORE!

Circle No. 2 of the Woman's Society of Christian Service met Monday evening at the home of the president, Mrs. Bernard Knipple at Venetian Village, with Mrs. Prather, Mrs. Flood and Mrs. Radull leading a discussion of the book, "Plowshares and Pruning-hooks."

Circle No. 1 of W. S. C. S. met Wednesday afternoon at the parsonage and Mrs. Plummer and Mrs. E. J. Hooper were co-hostesses. Mrs. Edna Nader led the devotional period.

The topic for the Wednesday evening group at the church this week was "The Church in America."

Billy Hucker, son of Mr. and Mrs. Earl Hucker, who has been home on a 15 day furlough from his duties at Army Air Force base at Spokane, Wash., left last Saturday at 1 a. m. by plane to return to his base where he has been stationed since his return from Alaska where he spent two years.

Mr. and Mrs. Charles Kelly and Mr. and Mrs. Paul Avery, Sr., were in Racine, Wis., last Friday and Mr. Kelly was there for eye treatment. Tom, son of Mrs. Florence Peterson was taken to St. Therese hospital last week and underwent appendectomy on Friday. He was

able to come home this week.

Russell Wilson of the Haley garage underwent surgery at St. Therese hospital last week and later on his daughter, Joan, was taken to the hospital for surgery, also. We are glad to report that both are doing nicely.

A number of relatives and friends were entertained Sunday afternoon at the Everett and Frank Galliger home in celebration of the fourth birthday of Frank Galliger's granddaughter, Judy Filweber, whose mother, Mrs. Genevieve Filweber is a patient at a Milwaukee sanatorium and recovering nicely.

The Ladies' Auxiliary to Lake Villa Memorial Post No. 308 of V. F. W. held their regular meeting on Monday evening, March 7, at the fire station and received a number of new members. After the business meeting, a silent auction was held and refreshments were served by Valerie Sheehan, Betty Sheehan, Lillian Belser and Geraldine Ring. Miss Charlotte Beelow of Antioch was a Sunday guest of the Russell Nickerson family.

Mrs. Albert Kapple is spending the week with her son Edwin and children in LaGrange, while her son's wife and her sister, Mrs. Larry Williamson have gone to Florida for a few days.

Mesdames Clara Perry, Anna Na-

der, Marie Hamlin, Elsie Popp, and Gertrude Blust enjoyed a pot luck supper at the home of Mrs. Clara Troesch on Rte. 59 last Friday evening in honor of Mrs. Popp's birthday. She was also presented a gift by the group.

Mrs. F. Emerson has returned from a trip to Portland, Ore., and was accompanied by Mrs. John Francisbauer and two daughters who will visit friends and relatives here.

Mr. and Mrs. F. Emerson were guests of the Wittbold family in Des Plaines on Sunday, and on Monday Mrs. Emerson and friends Mrs. Revellinski and Mrs. M. Parks, both of Park Ridge, visited the Mooseheart Home.

On Sunday, March 27, open house will be held at the rest home recently opened between Fox Lake and McHenry by Mrs. F. Emerson and Mrs. York, so that interested friends may call. They already have a number of patients.

Many people will be interested to know that the Lake Villa school band association will sponsor a series of Sunday afternoon movies at the school auditorium, beginning at 2:30 p. m. on Sunday, March 13, and the first one will be "The Jackie Robinson Story." This is for the benefit of the school band.

School will be closed next Friday

to allow the teachers to attend the Spring Institute conducted by County Superintendent of Schools W. C. Petty at Zion.

Mrs. Wm. Effinger entertained a few relatives and friends at a party at her home on Cedar Avenue last Thursday afternoon in celebration of her son, Michael's first birthday. The Royal Neighbors will hold their next meeting at the village hall on Tuesday evening, March 29 and will have new members for in-

itiation.

Mr. and Mrs. Lester Bunkelman, Carol and Joan Bunkelman left Friday for Fond du Lac, Wis., to visit relatives over the week end. Their oldest daughter Janet is employed there.

Are you a "Do-It-Yourself" Driver ?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?
Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

- Want standard steering... or extra-easy Power Steering?
Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Rather roll your own... or just push a button?
Chevrolet gives you separate crank controls both for windows and ventipanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.* Available on all Bel Air and "Two-Ten" models.

Keep yourself comfortable... or have Air Conditioning?
Chevrolet's wonderful new High-Level ventilation system is another important comfort advantage you won't find on other low-priced cars.

It's goodbye heat wave in your Chevrolet V8 with air conditioning.* This new under-the-hood system by Frigidaire takes up no trunk space.

Position the seat yourself... or let electricity do it?
Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Apply the brakes like this... or have power make it easier?
Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.

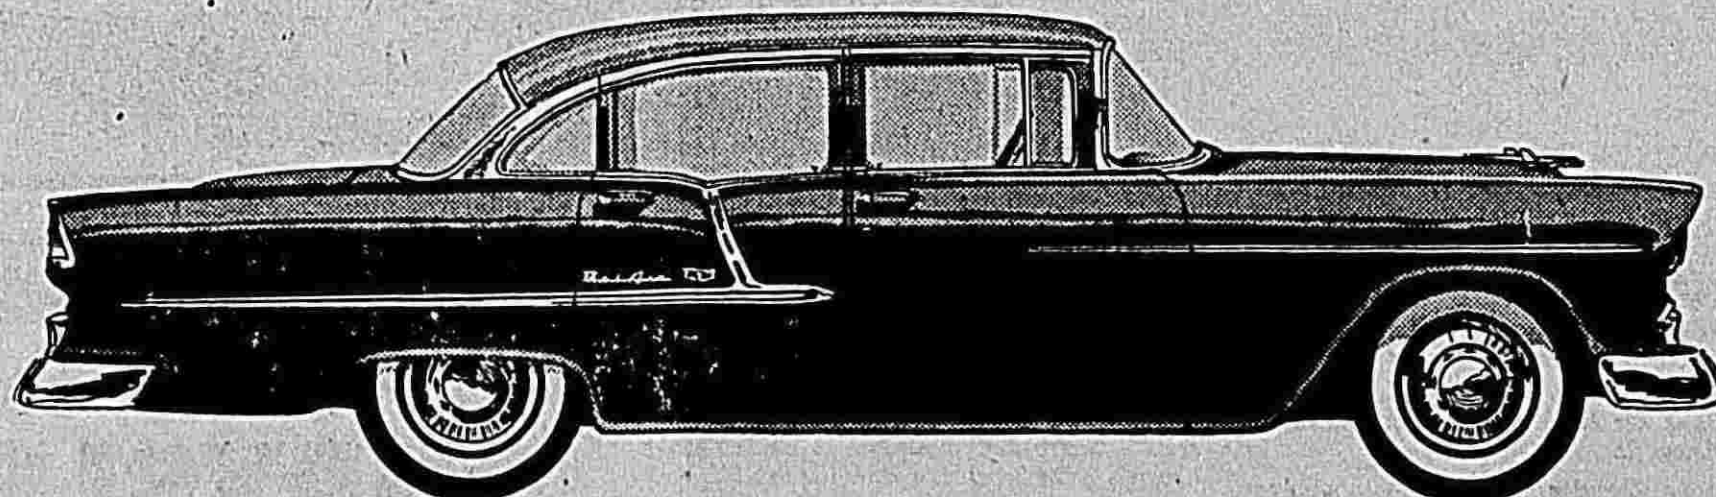

Automatically—

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

*Optional at extra cost.

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

COMPLETE and OFFICIAL figures show that again in 1954 -- for the 19th straight year-- MORE PEOPLE BOUGHT CHEVROLETS THAN ANY OTHER CAR!

Mr. and Mrs. William Richards were Sunday dinner guests at the home of Mr. and Mrs. Vigo Schaefer at Kenosha. It was Mr. Schaefer's birthday. Other guests were Mr. and Mrs. Jack Hackemer of Chicago and Mr. and Mrs. Gene Zicarrilla of Kenosha. Another sister, Mrs. Elizabeth Walch Hackemer of Chicago was invited but she had flown to Missouri to see her first grandchild over the week end.

Mr. and Mrs. William Hallada and daughter Harriet from Port Washington, Wis., spent the week-end at H. A. Tillotson's. They drove to Delavan, Wis., on Saturday afternoon and visited their son Vaughn at school there and attended the

basketball tournament held in the evening.

Mrs. Harold Wilton of rte. 173 spent Wednesday with Mrs. Will Thompson.

Mrs. Florence Carter of Kenosha spent last week at the Fred Leable home.

Mr. and Mrs. Howard Wells and family from Hammond, Ind., visited the Curtis Wells family on Saturday. They also visited the Schdek family near Kenosha in the afternoon.

Mrs. Grace Turnock and Mrs. Georgia Scoville of Kenosha visited Mr. and Mrs. Emmet King on Thursday.

Mr. and Mrs. Al Leable of Harvard were Sunday evening callers at the Fred Leable home.

Mr. and Mrs. Richard Wells entertained friends from Milwaukee Sunday afternoon.

Mr. and Mrs. Frank Wishler of Chicago were Sunday evening callers at the Wm. Richards home.

Miss Uldine Andersen of Grass Lake was a guest Sunday at the Gordon Wells home. Afternoon callers were Mrs. Agnes Stevens, Spencer Wells from Trevor and Mr. and Mrs. George Panzer from Libertyville.

Mr. and Mrs. Wm. Gerber and children of Antioch were Sunday afternoon callers at the H. A. Tillotson home.

THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE NASSAU WITH SPITFIRE V-8 ENGINE

"It's got everybody excited and we'd like to show you why"

Forgive us if we burst with pride... but we've got a terrific car here, and we want the whole world to know it!

It's the new Chrysler and the people who've been coming to see it and drive it are just as smitten with it as we are. It's the smartest, sleekest machine that ever appeared in an automobile showroom—and you should see it!

Most people prize good looks in a car. The 1955 Chrysler has it! Fashion people call it "tailored steel"—smart and different. It almost looks like it's going when it's standing still!

This, they tell us, is the new fashion in styling. We say hurrah! As for performance... well, double your enjoyment back if you don't think it's the best car you ever drove. Do it soon!

BE SURE YOU SEE AND DRIVE THE ALL-NEW

THE 1955

Clipper

Biggest, Most Powerful in
the Medium-Price Field...
Built by Packard Craftsmen

THE 1955 Clipper is designed to be distinctive in appearance as well as in performance... and to bring you a new measure of motoring pleasure.

Biggest in the medium-price field, nearly 18 feet over-all, the Clipper adds up to comfort in a big way. It gives you more room—head room, shoulder room, hip room and leg room than any other car in its class.

Most powerful in its field, Clipper's great new 245 and 225 horsepower V-8's deliver

more driving force at the rear wheels through every speed range. New Twin Ultramatic, actually two transmissions in one, is the perfect power mate, with a choice of starts at your finger tips... lightning getaway or cruising glide.

In size, performance, individuality, quality... however you measure a car... you owe it to yourself to see and drive the 1955 Clipper before making your choice. The Clipper shows you're going places... in style.

David Deering Attends Wabash College Camp

Crawfordsville, Ind., (Special)—David Stewart Deering, son of Dr. and Mrs. D. N. Deering, 1055 Victoria, Antioch, spent the week of Mar. 7-12 at Turkey Run State Park at a session of the Wabash College senior study camp program.

Campers were given time during their five-day stay at the park to study, to engage in hiking and other outdoor activities, and to participate in discussion groups. A faculty member from each division of the college curriculum—science, the humanities, and social studies—was present at each discussion.

The Antioch Grade School Band Parents association will give a card party and dance at the grade school Saturday evening in augmenting the fund to purchase pants for the band uniforms. Potato salad and baked ham will be served free with the admission tickets.

Rainbow Girls Will Sponsor Doll Show

Mrs. Clarence Bradley, proprietor of a doll hospital in Kenosha will display historic and periodical dolls Monday evening, March 28 at 8:30 p. m. at the Masonic hall at a program sponsored by Antioch Assembly Order of the Rainbow for Girls. The public is invited. Tickets may be purchased from the Rainbow girls or at the door.

In Mechanized America, Some Just Walk for Fun

WASHINGTON — The modern American walks less than most of the world's inhabitants, but some walkers these days are folks who do it for pure fun.

Recently a Navy officer stepped off 13 miles from one end of Manhattan to the other, the final lap in a 502-mile jaunt over every street on the island.

Average for the American male, (21 through 65) however, is about 9 miles a day. Women go a bit further, doing about 10 miles per day. The high school student hooft 16 miles, the policeman pads 18 and the waiter 13.

A number of Americans have journeyed afoot coast-to-coast in informal odysseys. John F. (Iron Legs) Stahl trudged 10,000 miles over Central America, Mexico and the United States as a hobby. He did 13 miles a day usually, one day 32.

In 1950-51 a woman pushed her son, 9, and a cat in a wheelbarrow from Jacksonville, Fla., to Los Angeles in 13 months. One man, 52, pulled a 350-pound wagon through 44 states while wearing out 19 pairs of shoes.

Possibly the most publicized hike was Supreme Court Justice William O. Douglas' 189-mile, 8-day tramp along the Chesapeake and Ohio Canal from Cumberland, Md., to Washington with eight companions last year.

USS Pennsylvania Bell on Display

STATE COLLEGE, Pa.—The bell of the battleship, the USS Pennsylvania, the Grand Old Lady of the fleet, will be located on the campus of the Pennsylvania State University.

Arrangements have been completed for the Navy Department to loan the bell to the University on a permanent basis. It will be mounted by the University on a pedestal where "it will reflect glory on the Navy, the State for which it is named, and the gallant battleship herself."

The 33,000-ton Pennsylvania was commissioned in 1916 as one of the first two oil-burning battleships. She was not allowed to join the forces seeking out the German Navy in World War I because only coal-burning dreadnaughts were used, there being no tankers available to carry fuel.

During World War II, however, the Pennsylvania which had served since 1916 as the flagship for the Navy was in the fight from the beginning. Sitting in drydock at Pearl Harbor, she was one of the first ships to open fire on the Japanese planes and was one of three battleships in the harbor to escape serious damage.

72-Year-Old Proves That He Was Born

SAN ANTONIO—An elderly man visited the local offices of the Social Security Administration to ask about a pension, saying he was 72 years old, or thereabouts. Personnel checked records and agreed he was covered and eligible, but there was the formality of establishing his age.

Did he have a birth certificate? No—they didn't issue them in 1882.

An old family record—a baptismal certificate or an entry in a Bible? No.

As a sort of last resort, officials asked "Any close relatives who would remember your birth?" "Sure," replied the applicant. "My pappy."

He got the pension. The father's age was estimated at 100.

Two-Thirds Fatal Accidents Occur At Legal Speeds

MINNEAPOLIS — While excessive speed is well-known as a killer, research by a national life insurance company shows that two-thirds of our fatal accidents occur at legal or slower speeds.

Exceeding the speed limit was involved in one out of every six fatal accidents in 1953. "Driving too fast for the circumstances, but without exceeding a posted limit" accounted for another one-sixth of all fatal accidents. Thus, traveling at 20 miles an hour through a situation where you should creep at five or ten can be as dangerous as doing 80 on the open highway, and is just as illegal in some areas.

Reckless speed kills thousands, and must be curbed—but the other deadly "sins"—ignoring the other fellow's right-of-way, crowding over the center line, ignoring traffic controls, etc., accounted for approximately 22 per cent of fatal accidents in 1953.

While "drunk" driving was charged in only six per cent of fatal accidents, another 12 per cent of drivers involved in fatal accidents had been drinking to some extent.

Unmarked patrol cars have made undermanned police forces much more effective in detecting and discouraging driver offenses. Motion picture cameras offer a promising new scientific weapon for "nailing" many bad violators. The knowledge that such "gadgets" are on the prowl in unmarked cars provides a powerful deterrent to the reckless or hoggish driver.

Majority of Aged Have Good Eyesight

NEW YORK — Although time does take a decided toll of vision, less than 15 per cent of all the aged Americans have such serious visual impairment as to interfere with normal activities.

Most octogenarians whose eyes give no evidence of disease have only about half of the normal visual acuity. Their loss of sharp sight is attributed to chemical changes or changes in tissue structure.

As eyes age, their lenses develop opacities—cataracts, that is—which interfere with the passage of light rays through them. It's believed that anyone who lives long enough will eventually have cataracts, but many people never reach the state of marked visual obstruction. In cases where surgery is advisable, modern science is highly successful in restoring vision.

Japan Has Taken Lead In Selling Frog Legs

WASHINGTON — Selling frog legs, whether from pond-raised specimens or jumbo jumpers taken from the bayou country, is not the big business it once was in the United States.

Frog hunters once ranged the marshes rimming the Great Lakes and Louisiana's bayou country, and Florida's Everglades, but prosperity has lured the hunters elsewhere and most of today's marketed frogs began their lives as tadpoles in a Japanese hatchery.

Japan is the only country in the world where frog farming has been a financial success. The Japanese solved the problem of providing enough food on-the-wing. The frog has utter scorn for motionless food and will feed upon things that move.

Japanese frog farmers burn glaring lights over their paddies at night, attracting clouds of insects. Shallow trays loaded with silkworm cocoons also are floated on the frog-stocked fields; when the trays rock, the frogs snap up the moving pupae.

German Drum Corps Plays Ancient Theme

HEIDELBERG, Germany—Modern visitors to Heidelberg may think they have been transported back to the Middle Ages when they hear the medieval fanfares and see the costumed drum corps organized in the university city.

The twenty members, playing old drums and long medieval horns from which hang banners embroidered with the lion of Heidelberg, wear authentic lansquenets uniforms—black and yellow coats with slit balloon sleeves and baggy striped trousers.

The corps is sponsored by the Perkeo Society which is dedicated to the preservation of old customs and is named for the famous dwarf who guarded the huge wine case in Heidelberg Castle.

Auctioneer Sells All
LANCASTER, Pa. — Auctioneer A. K. Waser pounded his gavel and a pocketbook among the items he had for sale was disposed of for only 15 cents.

A short time later, the embarrassed Waser had to ask the successful bidder to return the item. It was his wife's pocketbook, which she had left on the table by her husband's side. It contained \$15.

Judge Minard E. Hulse of Waukegan, will be guest speaker at a regular meeting of the Antioch Woman's club Monday afternoon, March 21. His subject will be "Educational Progress in Juvenile Delinquency." The hostesses for the

meeting will be Mrs. Thomas Pechousek as chairman, will be Mesdames Frank Pechousek, Morris Pickus, E. J. McDougall, William Murphy, Wendell Nelson, Joseph Patrovsky, Sr., Donald Sargol, Earl Sauter and Roman Vos. A board

meeting will be held at 1 p. m. preceding the meeting.

You can get rid of your past by building a future out of it.
